Task Force Tips Metro 1 Nozzle With Pistol Grip

Prices may vary depending on time period and quantities.

TFT Metro-1 #ME1-VPGI \$420.00

Now at Wally's Fire & Safety we are introducing the Metro ME1-VPGI (pistol grip) TFT nozzle. This nozzle is packed with great features that are sure to surpass your expectations. Some of these features include: fixed gallonage with 14 flow and pressure choices, ability to flush without shutting down, patented slide-type valve for turbulence –free flow control, 6 detent flow positions, molded rubber teeth for a full “power fog”, “Gasket Grabber” inlet screen, light weight hard coat anodized aluminum for maximum resistance to strenuous wear and tear.

*Pistol grip is mounted below the valve. 1.5”NH (38mm) full time swivel rocker lug is standard!
